

# Learning Management Platform

## Dashboard Reporting

### **The Information You Need In Real Time**

State-of-the-art infrastructure provides on-demand scalability combined with the highest level of performance and security.

The VenU 5 Dashboard Reports are designed with date range filters and a drill-down structure that allow you to view your online data with maximum visibility and measure results. Customized, animated 3D charts and Excel exports are provided at each level of reporting.

### **Our Powerful Reports:**

- Course activity data
- User information & Group data
- Enrollment & roster data
- Custom reports designed specifically for your business needs
